Half & Half Box

Meat Box and Veggie & Seafood Box

A vibrantly colored layer of vegetables and seafood including salmon, shrimp, and scallops, and an eye-catching fresh-looking red layer of beautifully marbled Kurobuta pork belly combine to create a dish that looks every bit as special as a New Year's Feast. The seiro (hinoki-wood steamers) in which these ingredients are laid out have been sourced from Japan; they are glue-free and made entirely by artisan hand. Steaming retains the natural flavor and deliciousness of the ingredients, while imparting a gentle scent of hinoki (a type of cypress) wood to the dish. This is a special dish that's ideal for entertaining or a special occasion.
