HYAKUMOKU

Junmai Daiginjo from Hyogo, Japan

A junmai daiginjo brewed with "Designation A" Yamadanishiki rice from Yoshikawa as well as the famed Miyamizu water. The brewers made this with food pairing in mind, so you can try it with lots of dishes. We recommend matching with delicately flavored appetizers. This sake has a harmonious and rich freshness with dignified sharpness. The flavor is full of sweet rice and peach with undertones of umami for added effect.
