Yakitori ALL 1.75

Our first Hakata-style yakitori store opened in 1992, and was the start of the Shin-Sen-Gumi restaurant chain. The "Yakitori" concept originated as cutting up all edible parts of the chicken into bite size pieces, skewering on bamboo sticks, and barbecuing over a strong flame. Besides chicken, you can find other meats and vegetable skewers on our menu.

★ Skewers may vary daily.
